Company overview

Owner-operated multichannel retailer pursuing direct, authorized wholesale relationships with selected brands. We purchase documented inventory, sell only through approved channels, and follow each partner's written pricing and marketplace policies.

Active channels

- Amazon (FBA)
- eBay (store: nexabrandusa)
- Own ecommerce store: nexabrandusa.com

Core capabilities

- Marketplace operations and FBA shipment planning
- Listing accuracy using approved brand content
- Focused inventory planning using sales and lead-time data
- Material marketplace observations shared with the brand for review
- Documented purchasing; lot and expiration information where applicable

Product categories

- Beauty & personal care
- Health & wellness
- Fragrance
- Jewelry & accessories
- Home & kitchen
- Gifts & everyday goods

Differentiators

- Owner of NexaBeauty®, a USPTO-registered skincare brand (Reg. No. 8536646)
- Brand-owner perspective on distribution and pricing
- Owner-operated with one accountable contact
- Disciplined, sell-through-based purchasing

Commitments to brand partners

- Sell only on channels approved in writing
- Follow written pricing and marketplace policies
- Authentic U.S.-market inventory from the brand or its approved distributor
- No relabeling, bundling, or added claims without permission
- Prompt stop-sale and recall action

Documentation available on request

W-9 · Missouri sales tax registration and resale documentation · LLC formation records · Marketplace storefront links
